Cutoff Date: Please reserve your room by 17 February 1997.

Airports: You can fly into either the Manchester, New Hampshire airport or the Boston, Massachusetts airport. I strongly recommend Manchester Airport.

Manchester Airport is about 30 minutes away from the hotel. The hotel provides a free shuttle service to and from Manchester Airport from 7 AM to 11 PM (there is a \$20 charge outside of those hours). The hotel requests that you reserve a seat on the shuttle by calling the hotel's reservation desk in advance once you know your flight information. The hotel does have courtesy telephones in the luggage pickup area of the airport. However, if you wait until reaching the airport before requesting shuttle service, there may be a long delay before you can be picked up.

Boston Airport (Logan Airport) is 60 to 90 minutes away from the hotel. Boston traffic near the airport is frequently heavy and the roads can be tricky to navigate. The hotel does not provide free transportation to/from Boston Airport. There are two commercial shuttle services:

M and L Transportation. Cost: \$26/person one way. Hours: 8 AM to 11 PM (10 PM on

Saturday). Major Credit Cards accepted.
Call 938-8646 once you arrive at the airport
to be picked up. To reserve a return trip
from the hotel to the airport, call
1-800-225-4846 the day before leaving.

Flight Line. Cost: \$26/person one way.
Hours: 9 AM to 11 PM (or anytime with a
reservation). Reservations requested, call
1-800-245-2525 or +1-603-893-8254. Cash or
Traveler's checks only.

Car: A car is unnecessary. The hotel has two
restaurants, and six other restaurants are
within a five to ten minute walk.

If you would like to rent a car while at the
hotel, the hotel can arrange for Budget
Rent-a-car to deliver and pick up a car.

Hotel

Facilities: Modular plugs on phones for modems. Full
Health Club with free weights, Nautilus
machine, indoor pool, outdoor tennis (see
weather). Laundry and Dry Cleaning Service.

Weather: During March, below freezing temperatures are
common. Typically, snow is upon the ground.
Large snow storms that disrupt air travel are
possible. (Hey, I tried to volunteer for a
Summer meeting.)
