1. Air

The nearest airport is Tees-side (MME), about a quarter-hour’s drive from the Post House Hotel. The other “local” airports are Newcastle (about an hour) and Leeds/Bradford (hour and a half).

From outside Europe it is advisable to fly via London, which has good air, road and rail links with Tees-side. Manchester is not advised unless a car is rented there; the road journey is somewhat shorter, but there is no air link and the rail link is relatively poor.
