1. Informal quality service

SGFS is willing to offer an informal quality service for pDISPs which would function as follows:

At their discretion the editor(s) of a pDISP under preparation may send a draft of the pDISP to the experts listed in SGFS standing document SD-3 based on the information contained in SGFS/SD-4 and any agreements made in the SGFS, the base standard area or areas most closely associated with the pDISP for comment on its content.

Any comments will be fed back to the editor(s), who then use their discretion in the treatment of the comments.

2. Contact points

The list of experts will be maintained by identified contact points communications this information to the SGFS Secretariat.

The following contact points are the current for the groups indicated:

For the SC 6 technical area: Mr. J-F. Gornet  
For the SC 18 technical area: Mr. Tony Barrett  
For the SC 21 technical area: Mr. Jon Becker  
For the CCITT technical area: Mr. H.V. Bertine  
For the S-liaison organizations: their respective secretariats

3. Relationship to the process

This informal service does not form part of, nor replace any of the formal procedures contained in the JTC1 Directives annex C. Specifically it does not replace and is expected to occur before the SGFS review process documented in clause C.5.
