27th August 1992

Dear Peter

SGFS: Final Text of TR 10000-1.2

Further to my letter of 20th August, enclosing the N631, the final text of TR 10000-1.2, I have been informed of a small correction which would be advisable if it can be included - in the ITTF published text at least, even if you have already circulated N631 to SGFS.

It is simply the deletion of a reference to an unplanned CCITT T.xxx recommendation, corresponding to TR 10183; there is no intention to produce a joint document, I am told.

I therefore enclose a revised page 2, and I would be grateful if you would forward it to ITTF.

Yours sincerely,

Richard V.S.Lloyd
