

SUMMARY OF COMMENTS ON WDTR 10000-3 DEC 1992

The following contributions have been received on the first working draft of TR 10000-3, and on the related output papers of SGFS June 1992. Editor's comments on them and his suggestions for their disposition are appended.

Origin (N###)	Item	Also see:	Type	Page/Line	Clause	Subject	Proposal	Action
Editor (N688)	ED-01		M	4/20-23	1	Are there other OSE profiles besides AEPs?	Contributions requested identifying a) different types of OSE profiles, b) criteria used to classify a profile as one or more type(s).	A text proposal is being generated SGFS N761 as a result of the TR10K-3 review at this meeting for inclusion in the next draft of TR10000-3.
	ED-02		m	4/16-25	3.1	Alternative Definitions	Delete 3.1.3, 3.1.4, 3.1.17, 3.1.20, 3.1.21	Execute as proposed.
L2 SC22/15	22-01		M	general		National Profiles and Conformance Discussion	Suggests text and raises issues on these two topics	Editor will review SGFS N733 and the SGFS response SGFS N755 for text suitable for use in the TR10000-3.
ODP (N728)	RM-01		M	general		ODP concepts and terminology	Suggests review of ODP-RM - Part 2	Editor will review SGFS N746 for text (others invited to do so as well)
L6	FR-04	ED-01	M		3.1	Proposes new terms, definitions associated with categories of OSE profiles	Replaces existing categories of OSE profiles with alternate set affecting scopes of parts 1, 3, and succeeding parts.	Will be used as input to proposal described action for item ED-01.
L11	RM-02		M	general		Multi-media concepts and terminology	Suggests review of Multi-media Model and Framework	Editor will review SGFS N740 for text (others invited to do so as well)
L16	21-01		M		5.3.1	SC21 Study on API	Discusses approach to API work within JTC1	Editor will review SGFS N745 for text (others invited to do so as well)
