Subject: Ballot resolution meeting

To: Peter Bessems, SGFS Secretariat
Stacy Leistner, SC6 Secretariat

EWOS is planning to have a ballot resolution meeting for

- ISO/IEC DISP 10609-10, -11, -12 and -14 (TC51, TC53)
- ISO/IEC DISP 10612-1, -2 and -4 (RD51.51)
- ISO/IEC DISP 10614-1 through -6 (RC51.11x1)

at the location of the JTC1/SC6 meeting in Seoul early October 1993.
The time set for the meeting is

Monday, October 4, 1993, 6 - 8 p.m.

(i.e. the evening of the first day of the SC6 meeting)

I would appreciate if Peter would issue the formal calling notice through SGFS. Also, I would be grateful if Stacy would help with the logistics as needed (e.g. meeting room, bulleting board in Seoul, copying help, hotel information from the SC6 calling notice which Peter may use for his SGFS calling notice).

I have agreed this meeting already with Fred Burg (OIW/LLSIG chair). I have also informed Louis Visser, Mike Smith and AOW directly by e-mail.

Thanks for you support.

Best regards,
Magnus Stallknecht
Chairman, EWOS/EGLL
