Parallelism TS Editor's Report, pre-Lenexa mailing

N4407 is the latest Parallelism TS Working Draft. It contains editorial changes to the Parallelism TS to address whitespace and other formatting issues.

N4407 updates the previous draft, N4352, published in the midterm mailing.

N4409 is document N4407 reformatted as a TS document. It updates N4354, which was published in the midterm mailing.

Editorial Changes

Eliminated spurious whitespace and paragraph numbers and manually broke code lines which were spilling into the margin.
