**UK COMMENTS ON DTR 10000-2.3 - Information technology - Framework & Taxonomy
of International Standardised Profiles - Part 2: Taxonomy of Profiles.**

FOD Taxonomy

The UK believes that the regional workshops (AOW, EWOS and OIW) and CCITT have jointly proposed a revised harmonized FOD taxonomy which addresses the SGFS comments in SGFS N 619. The UK proposes that this proposed revised taxonomy is included in TR 10000-2.3.
