Status : Approved by the SGFS Seoul 1993 meeting

Subject: Incorporation of SGFS procedure in JTC1 procedures
(See JTC1 N2475 resolution 39)

In its July 1993 meeting the SGFS reviewed the plan of JTC1 to restructure the JTC1 procedures as proposed in N2378, including the integration of the SGFS procedures into the main text of the JTC1 procedures.

SGFS concurs with the direction taken by the JTC1 to include the SGFS procedures into the main body of the text of the JTC1 procedures.

However, taken that a revision of the SGFS procedures is currently under ballot in JTC1, the SGFS recommends to adapt the timeframe currently envisioned by SWG-P for the incorporation, so as to implement the incorporation after the approval of the SGFS procedures under ballot. SGFS expects this revision to be approved by JTC1 by early 1994.
