Comments Accompanying the French Positive Vote on JTC 1 N 1116

AFNOR Supports the proposal with the following comments:

- 1 - Same Terminology than in Language Compatible Arithmetic Standard (LCAS) should be used (Project JTC 1.22.28)
- 2 - We recommend that the standard produced following New Work Item JTC 1 N 1116 be integrated in the Standard presently developed on LCAS

Attachment 1.2
