Dear X3J16 Participant:

The first technical meeting of the ANSI C++ Standards Committee (X3J16) will be held the week of March 12th at the:

> Somerset, New Jersey 08873
> Tel: (201) 469-2600

The meeting will begin on Monday, March 12 at 9:00 a.m and will conclude on Friday, March 16 at around 1:00 p.m.

A block of rooms has been reserved at the Somerset Hilton at the special rate of $72.00/night. I have enclosed a brochure describing the hotel with this letter, as well as directions from most points in the area. The hotel is approximately 45 minutes from Newark Airport.

Coffee service and afternoon drinks and snacks will be provided each day. Meals will be your responsibility.

To help us get to know each other, AT&T and Bell Communications Research have agreed to host a reception on Monday and Thursday evening, between 6:00 and 8:00 p.m.

To make hotel reservations, please call the hotel at the above number or 1-800-HILTONS and ask for the "AT&T ANSI C++ Standards Meetings." This will ensure that you will receive the special rate.

I look forward to seeing you at the meeting.

Sincerely,
