Travel:

The hotel is a 15-minute drive from the international airport in
Keahole-Kona, Hawaii (on the "Big Island").

Non-stop flights to Keahole-Kona can be made from San Francisco,
Los Angeles, Seattle, and Tokyo; otherwise, attendees should fly
to Honolulu, Hawaii, and transfer to an inter-island flight to
Kona. (Please note that the big island’s other international
airport, at Hilo, is several hours’ drive from the hotel.)
Economical car rentals are available at Kona, arranged through the hotel for 25.00 USD per day (plus some extra charges), or through the usual USA car rental companies. The Big Island is rural and sparsely settled, so a car rental (or a friend with a car rental) is advisable but not essential; taxi service is also available at the airport, with no pre-arrangement needed.

Arrangements for light breakfast and coffee breaks have been provided. Also, copying service will be available without cost to attendees.

Snorkel Rental, Scuba Diving, and Big Game Fishing discounts have been arranged with Ecotropic Traders & Divers for attendees who desire to break away for some recreational activity, or wish to arrive early or extend their stay. Phone +1-808-882-1544 and mention Plum Hall.

AGENDA
=======

The primary agenda item is approving the final edits to the C++ working draft to be submitted for second CD ballot within SC22. The working draft will be in the pre-meeting mailing as well as being available electronically, and the Project Editor will be prepared to edit the draft during the meeting, so that a final copy may be shipped to SC22 immediately after the meeting.

The Disposition of Comments document will be finalized to send with the working draft to SC22.

There will also be a report from the Convener on the SC22 Plenary meeting which will have been held in September.
