TITLE: UK RESPONSE TO SGFS BERLIN RESOLUTION 16

The UK has, as requested in SGFS Berlin Resolution 16, reviewed the proposals contained in SGFS N 353 on the types of documents to be distributed by the SGFS Secretariat to the SGFS members.

The UK considers that there is no reason to change the current practice for the following reasons:

- a) the advantage of timely distribution to SGFS members outweighs any potential saving
- b) the distribution of the ITTF-sourced ballots and ballot summaries within national bodies often takes place with other committees in addition to the national SGFS committee.
