

Local Travel Information

The most convenient and economical way to Kyoto is to take a direct flight to Kansai International Airport (KIX).

From Kansai International Airport to KYOTO City

<http://www.kansai-airport.or.jp/en/index.asp>

(1) MK Sky Gate Shuttle (¥3,500)

This service takes you to your hotel.

A Shuttle reservation is required 2 days before your arrival date. A Shuttle employee, holding up a large card with your name on it, will meet you at the Customs exit and take you to the Shuttle. Traveling time is about 120 minutes.

The information desk of MK Sky Gate Shuttle is open from 8:00 to the last flight arriving time. It is located near the "H Gate" of the airport South Exit.
