

Directions to NEN and route map

Public transport:

Travelling with the Intercity trains from Schiphol Airport/Leiden/The Hague, change at The Hague HS and take a commuter train (stoptrein) to Rotterdam CS (approx. 4 times per hour). Get off at Delft Zuid station.

Travelling with the Intercity trains from Utrecht or Antwerp/Breda/Dordrecht, change at Rotterdam CS and take a commuter train (stoptrein) to The Hague CS or Leiden (approx. 4 times per hour). Again you get off at Delft Zuid station. From Delft Zuid station you can walk in approx. 5 minutes to our office at Vlinderweg 6 (see map for the right direction).

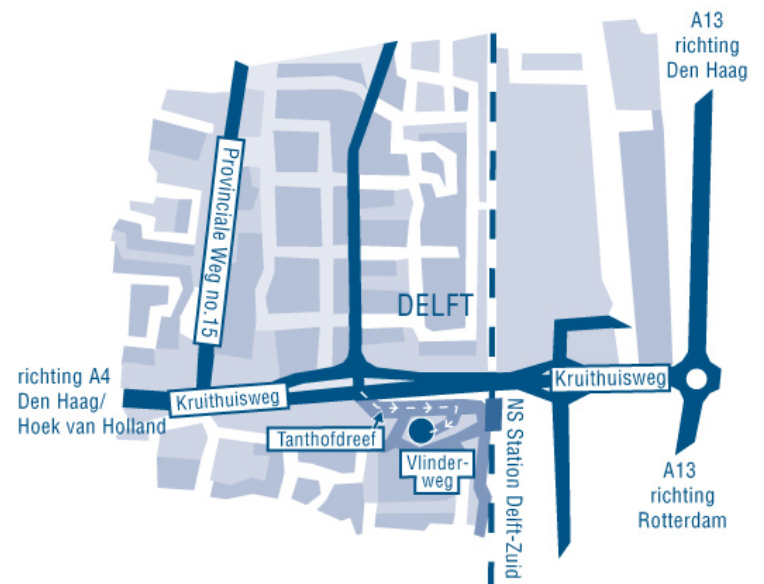

If you arrive at Delft Central Station take bus 64 (direction "Tanthof") and get off at bus stop "Kalfjeslaan". Walk a few meters back to the Kalfjeslaan and turn right there. You can then see our new office building at some 300m distance (just passed our previous office building) Travelling time is approx. 10 minutes.

By car:

Coming from the direction The Hague/Amsterdam on the A4 you follow the signs Rotterdam/Delft at the Prins Clausplein junction near The Hague. You are now on the A13. Get off at exit Delft Zuid and turn right at the traffic lights at the top.

Coming from the direction Rotterdam on the A13: get off at exit Delft Zuid. Turn left at the traffic lights at the top (three quarter turn on the roundabout).

Having thus left the A13; continue till the next traffic lights (approx. 1 km). Turn left at these lights. Follow the road (=Tanthofdreef) in its left turn, ignore the bus lane entrance at the right hand side, pass the first crossing and, some 100m further down, take to the right the entranceway to our premises. (See the map) The parking lot is a bit further on. When leaving the parking lot, you can't go the same way back, but will have to take the exit at the Kikkerweg. At the exit of the parking lot, turn right to the Kikkerweg. After 100m turn right again and after another 100m turn left and you are back on the Tanthofdreef.
