Airports/
Shuttles: You can fly into either the Orange County/John Wayne Airport or the Los Angeles International Airport (LAX). John Wayne Airport is less than one mile from the hotel and is much easier to use than LAX. I strongly recommend John Wayne Airport.

John Wayne Airport is about 1 mile (5 minutes) away from the hotel. The hotel provides free shuttle service to and from John Wayne Airport. A phone is available in the baggage claim area of the airport for hotel shuttle service. To dial the hotel, push the button for Holiday Inn Irvine.

LAX is about 38 miles (50-60 minutes) away from the hotel. The hotel does not provide transportation to or from LAX. There are several commercial shuttle services. Here are a few examples:

SupperShuttle - Cost is \$21 per person one way. Shuttle service is available 24 hours per day. Major credit cards accepted. For reservations call 714-517-6600.

Prime Time - Cost is \$19 per person one way. Shuttle service is available 24 hours per day. Major credit cards accepted. For reservations call 800-262-7433.

L A Xpress - Cost is \$19 per person one way. Shuttle service is available 24 hours per day. Major credit cards accepted. For reservations call 800-427-7483.

Car Rental/
Directions:

A car is unnecessary. The hotel has a restaurant, and several other restaurants are within walking distance. If you do choose to rent a car at the airport, here are directions to the hotel:

From John Wayne Airport: Take MacArthur Blvd north. Turn right on Main St, go two blocks to Gillette, turn right into the plaza. The hotel is just past the reflecting pond.

From LAX: Take Century Blvd east to I-405 south, exit MacArthur Blvd north. Turn right on Main St, go two blocks to Gillette, turn right into the plaza. The hotel is just past the reflecting pond.

If you would like to rent a car while at the hotel, the Holiday Inn provides a direct phone line to Enterprise Rent-A-Car. You can use this phone line to arrange for car delivery and pick up at the hotel.
