### Description

Attached you will find a new Code of Conduct slide for use across all of JTC 1. This new slide reflects the most recent ISO and IEC Code of Conduct general principles. This is for ALL committee agendas and is to be reviewed at the beginning EACH committee meeting.

# *ISO & IEC Codes of Conduct General Principles*

- Behave ethically
- Promote and enable all voices to be heard
- Engage constructively in ISO and IEC activities
- Respect others (in meetings, when writing, on social media)
- Declare actual and potential conflicts of interest and manage them appropriately
- Protect confidential information
- Protect ISO and IEC assets
- Avoid and prevent any form of bribery or corruption
- Uphold the consensus process
- When disputes arise, escalate, resolve and uphold agreed resolution
