

Title: Liaison statement to SC21 and SC22

Source: SGFS Authorized Subgroup Meeting, December 5-9 1994, New Orleans, USA

SGFS has approved the attached documents, TR 10000 part 1 (SGFS/N1247) and TR 10000 part 3 (SGFS/N1249), for DTR ballot.

SGFS requests SC21 and SC22 to circulate these documents to their NBs, Liaison Organisations and relevant WGs in order for them

- to review the references made to DTR 14252 (Guide to the POSIX Open System Environment) and DIS 10746-2 (Reference Model of Open Distributed Processing), and the statement of correspondence between OSE interfaces and ODP reference points made in clause 6.1 of SGFS/N1249,
- to brief their JTC 1 representatives in preparing their ballot comments. It is anticipated that the ballot will close by the end of April 1995.
