### **4. Meeting Rooms**

Two rooms have been reserved on the fourth floor (410 and 408).

### **5. Security**

All delegates must prominently display a valid, specially encoded security pass while in the Chiswick building. The passes are available from reception and should be returned there at the end of the duration of the meeting. These passes remain the property of BSI at all times.

### **6. Transportation**

#### **6.1 BSI by Taxi**

Black Cabs are available from Heathrow and Central London, but you are advised that at peak times, these can be expensive. Traffic congestion in Central London can be particularly heavy and so it is recommended that you use the London Underground to travel to BSI.

## 6.2 BSI by Train / Underground

Gunnersbury station is served by both the London Underground - District Line and British Rail North London Line. Approximate travelling times to Gunnersbury by Underground: Euston and Kings Cross - 40 minutes, Paddington - 35 minutes, Victoria - 25 minutes, Liverpool Street - 60 minutes and Marylebone - 50 minutes.

From **Heathrow Airport** (zone 6), take the underground - (Piccadilly Line) to Hammersmith (zone 2), and change to the District Line (Richmond Bound) to Gunnersbury Station (zone 3). (Please note when you buy a ticket on this journey - you must buy a zone 6 to zone 2. Ask at the ticket office for more details).

When travelling from Reading or any station on the Thamesline (e.g. Twyford, Maidenhead, Slough), it is possible to catch the District Line from Ealing Broadway (changing at Turnham Green) to Gunnersbury or Chiswick Park station - which is about ten minutes walk from BSI.

The North London line extends from Richmond to North Woolwich via Willesden Junction and Stratford.

## 6.3 BSI by Bus

There is a bus stop directly outside the Chiswick building covering the following routes:

237	Shepherd's Bush Green to Sunbury Village
391	Fulham Broadway to Richmond
267	Hammersmith to Hampton Hill
H91	Hammersmith to Hounslow

Although it does not stop directly outside the building, the nearest stop on the E3 route, (Greenford to Edensor Road, Chiswick) is less than 10 minutes walk away.

There is no direct bus route from **Heathrow Airport** to Chiswick, please use the underground route referred to above.

## 6.4 BSI by Road

### *Motorway*

From Junction 15 of the M25 take the M4 towards Central London and exit at Junction 2. Take the 2nd exit from the roundabout. Turn right into Oxford Road North then turn left onto Wellesley Road. There is an entrance to the car park on the left hand side of this road.

Note: If the Wellesley Road entrance is closed, drive on and take the second left into Burlington Road, then left onto Chiswick High Road. The car park is 150 metres on your left. It should be noted that there is no right turn on Chiswick High Road from the West into the front entrance to BSI. (For entry through the barriers - see Car Park section below).

### *Central London*

Take the A4 westbound leaving at Junction 1, the Chiswick Flyover. Take the 4th exit from the roundabout and follow the directions indicated above.

## 7. BSI Car Park

There are approximately 400 parking spaces available at Chiswick, of which 100 will be allocated to delegates and other visitors.

Spaces for drivers with disabilities are on the middle level of the west car park adjacent to the basement entrance to the building. This entrance, is for people with disabilities only and is linked to the security lodge by intercom and monitored by a security camera.

Parking spaces should be booked by individual delegates through the BSI Facilities Helpdesk on +44 (0)181-996-7777.

As a delegate you will normally gain access to the car park via the Wellesley Road entrance which is manned by a security guard from 08:00 to 10:30 and from 16:30 to 18:00 Monday to Friday. To gain access after 10:30h you will have to use the Chiswick High Road entrance. Press the intercom button on the panel at the barrier and a security guard will take your details and allow you access. You may leave via Wellesley Road and Chiswick High Road exits. *(NB - there is No Right Turn from the Chiswick High Road exit).*

## **8. Messages for delegates**

Faxed messages and mailed correspondence should indicate clearly after the delegate's name that he or she is a participant in the **ISO/IEC JTC 1/SC 2 Meeting**. Faxes should be sent via Bernadette Shine on: **+44 (0)181 996 7448**.

There are pay telephones on the ground floor and floors 3-5 from which outgoing telephone calls may be made.

## **9. Restaurant**

"Fields" sandwich bar will be open from 08:30h to 14:00h and also serving hot breakfast snacks from 08:30h to 09:30h. Lunch is served in the "Wintergarden" restaurant from 12:00h to 14:00h. Both "Fields" sandwich bar and the "Wintergarden" restaurant are located on the first floor. Drink and snack machines are available around the clock. Flasks of tea and coffee and bottles of water (still and sparkling) will also be placed in the meeting rooms in the morning and again in the afternoon.

There are also some restaurants, cafes and pubs in Chiswick High Road within reasonable walking distance of the BSI building.

## **10. General**

Please read the Safety Leaflet in your committee room, as they show the location of the fire assembly points for your meeting room floor and also other information regarding evacuation of the building in an emergency.

There is travel information held at the reception desk, as well as local amenities and entertainment. There are banks, a post office and a selection of shops in Chiswick High Road within walking distance of the BSI building.

The Conference Administration Office, which is manned throughout normal hours of business, is located on the 2nd floor next to the Business Centre, the staff there, will be happy to deal with any enquiry you may have.
