Some preliminary information about hotels:

This is some early information about travel and hotels for the CLAU meeting in Tredyffrin, hosted by Unisys October 1-2, 1998. Tredyffrin is northwest of Philadelphia, about 45 minutes from downtown and also 45 minutes from the airport.

To clear up confusion about the location: Unisys has 3 buildings next to each other, all three are in different townships though and therefore they are known with different names. They are Tredyffrin, Paoli, and Malvern. Please use these names interchangeably, the meeting will be in the main building called Tredyffrin (I understand that this is an ancient Indian name meaning "industrial park").

Here is the preliminary information:

Travel information:

Closest airport to Unisys in Tredyffrin or Paoli or Malvern is Philadelphia (PHL). It should take no more than 45 minutes from the airport to Unisys or the recommended hotels. Newark is about 2 hours away, New York (JFK) about 3 hours.

If you rent a car at Philadelphia airport, please follow the driving directions below.

There is also a shuttle service from the airport to all the recommended hotels. It leaves from the airport 15 minutes after the hour from 8:15 am through 10:15 pm. On weekends the schedule starts at noon and ends at 10:15 pm. No reservation is required, just sign up at the transportation desk in each Philadelphia terminal after picking up your luggage. The telephone number of the agency is (610) 647-5466.

Our area has a definite shortage of hotels and my recommendation is to make your reservation as fast as possible to ensure a room at the favorable Unisys rate. You get this rate by requesting the "Unisys rate" when you make your reservation - just say, you are with Unisys.

These are the hotels which come recommended by our administrative assistants. All rates are without tax, and no breakfast unless mentioned otherwise.

Desmond Great Valley Hotel

One Liberty Boulevard

Malvern, PA 19355

Tel: (610) 296-9800

Unisys rate: \$99.00 single, \$114.00 double occupancy

This hotel is very close to our offices, it is a full service hotel (restaurants, etc...). Reservations should be made as soon as possible, preferably within the next 3 weeks.

From Philadelphia Airport to the Desmond Great Valley Hotel:

Take I-95 South to 476 North. Follow 476 North to the Schuylkill Expressway (I-76) West to Route 202 South. Take 202 South to the Route 29 North exit (Great Valley exit). At the end of the ramp, proceed through the light (at Swedesford Road) onto Liberty Boulevard. The hotel will be on the right.

From Desmond Great Valley Hotel to Unisys Tredyffrin: (about 5 minutes)

Take a left onto Liberty Boulevard to Swedesford Road. Turn left onto Swedesford. Unisys East Coast Development Center (2476 Swedesford Road) will be on your right.
