March 2018 PL22.16 / WG21 Meeting

The March 2018 WG21 / PL22.16 meeting is sponsored by Perennial and the Standard C++ Foundation. The meeting will take place at The Omni Hotel, in Jacksonville, Florida, Monday Mar 12, 2018 to Saturday, Mar 17, 2018. The hotel's web site is here:

<http://www.omnihotels.com/jacksonville>

The hotel is located in downtown Jacksonville, Florida, near the river walk for the St John's river. In addition to the hotel restaurant, there are many other eating places within walking distance. Because of the downtown location, a rental car is unnecessary, however, it can be useful for local excursions.

The Jacksonville International Airport (Airport code JAX) is about 13 miles north from downtown. A shared taxi is the best airport transport.

Reservations for the hotel room can be made online at this web page:

<http://www.omnihotels.com/hotels/jacksonville/meetings/perennial-inc-group>

Please ignore the virtual tour that shows the room as a suite. It isn't.

The rate is \$149 per night, and runs from Friday, March 9 - Sunday, March 19, 2018.

Reservations can also be made by calling in to the Central Reservations Office at 1-800-843-6664 (1-800-THE-OMNI).

Please be sure that your arrival and departure dates are correct.

There are also a number of hotels within the local area that may or may not provide a better (lower) rate, and or services. However, I'll also point out that we have a committed room block for the Omni that we must pay for even if we don't fill it.
